

NATIONAL WILDLIFE CRIME COORDINATION TASK FORCE (NWCCTF)

VISION

Promote cooperation and coordination among law enforcement agencies to combat wildlife crime in Uganda.

MISSION

Promote law enforcement-institutional collaboration and ensure effective cross- border control of illegal wildlife trade through sharing information, intelligence, facilities and equipment; undertaking joint operations and prosecutions; and raising awareness.

OBJECTIVES

- Foster strategic cooperation to combat wildlife crime;
- Enhance communication and build operational links among the government institutions for effective law enforcement;
- Share intelligence and information on poaching, illegal wildlife trade and trafficking;
- Facilitate smooth coordination of joint operations and prosecutions on wildlife crime;
- Raise awareness within the law enforcement institutions about the risks and negative impacts of wildlife crime; and
- Establish networks with regional and global mechanisms to combat wildlife crime.
