TERMS OF REFERENCE FOR CONSULTANCY
Design and Implementation of Public Awareness Strategy

1. Background

As part of its commitment to support wildlife law enforcement and interventions to reduce poaching, illegal wildlife trade, trafficking, and consumption, Wildlife Conservation Society (WCS) aims to create awareness about the importance of protecting endangered species by disseminating information to the public. With support from the D.N. Batten Foundation, the “Uganda-China Initiative (UCI)” will support Uganda Wildlife Authority and Civil Aviation Authority to disseminate key information to the public aimed at reducing wildlife crime and ultimately increasing species population in East Africa.

WCS is seeking to contract a suitably qualified and experienced consultant/firm to undertake the work of designing and implementing communication and public awareness materials related to the above-mentioned project. The purpose of these Terms of Reference (TOR) is to secure competitive proposals for the consultancy advertised.

2. Approach

Wildlife awareness messages will be delivered via billboards and signages at strategic high traffic hotspots within Kampala and Entebbe International Airport (Kibuye round-about, Entebbe airport and the Fairway intersection). The graphics on the billboards will communicate key message highlighting the need to value and protect wildlife and discourage the public from engaging in illegal trade, trafficking, consumption or illegal possession of wildlife. The billboards will display commonly illegally traded species and their products, signs and messages of caution, penalties for poaching, illegal possession, and involvement in illegal wildlife trade, trafficking, and consumption of protected species. They call to the public to value and protect the country’s diverse wildlife species richness.

3. Objective:

The aim of the consultancy is to design and implement communication and public awareness materials intended to motivate and educate the public about the need to value and protect endangered wildlife species.

4. Scope of Work

The consultant will be contracted to:

4.1 Conceptualize, develop layout, format, design and implement public promotional materials to increase awareness on the need for the public to value and protect Uganda’s diverse wildlife species.

The following is required:

- Originality of designs and artwork to avoid plagiarism
- Use of high quality materials that are weather resistant and durable.
- Use of lamination and UV resistant inks to avoid color fading.
- All billboards will be in the English language
WCS will entirely own the copyright to all billboards, graphics, designs, and artwork.

5. **Expected Deliverables and Due Dates**

To complete the outputs mentioned above, the consultant will be required to:

- Prepare and present a comprehensive public awareness work-plan outlining the work/activities to be undertaken, including implementation plan and timelines five (5) working days after award of contract.
- Prepare and present design layouts (Printing /production) of billboards and other materials for review (with relevant photos and messages) per hotspot ten (7) working days after the submission and approval of the work plan. Installation/implementation will be done within five (3) days after WCS’ approval of all communication materials.
- Presentation of Final Report describing accomplishment of eighty percent 80% of activities outlined and on the consultancy which is upon completion of maintenance period as specified in the contract.

6. **Payment Schedule**

- 10% on submission and acceptance of the work-plan, including public awareness strategy with implementation plans and timelines.
- 70% on submission and acceptance of Progress Report describing accomplishment of 80% percent of the planned and approved messages and designs. Design layouts and other materials already completed must be attached as final products to this report.
- 20% on submission and acceptance of the Final Report describing activities achieved based on work plan and upon completion of maintenance period as specified in the contract.

7. **Evaluation Criteria**

Proposals will be evaluated based on:

- Experience of consultant /firm
- Cost effectiveness / price
- Implementation methodology

8. **Qualification and Expertise**

The applicant’s team should have the following qualifications:

- A Bachelor’s degree in Industrial Art and Applied Design or Marketing or related field. A master’s degrees in the same field is an added advantage.
- A minimum of 10 years of professional experience in graphic designs, marketing, development communications or a related field
- Capability and proven experience in developing and executing public awareness strategies
- Capability and proven experience crafting messages for outdoor advertising targeting a variety of audiences
Ability and proven experience in multi-tasking, taking initiative and working effectively under pressure
