

EXPRESSION OF INTEREST: CITES E-PERMITTING SYSTEM UPGRADE

Wildlife Conservation Society (WCS) through the USAID (United States Agency for International Development) Combating Wildlife Crime Activity supports the Ministry of Tourism Wildlife and Antiquities in its effort to implement the CITES Electronic Permitting System for Uganda (<https://cites.tourism.go.ug>). In furtherance of this support, WCS invites Expressions of Interest from suitably qualified companies wishing to bid for the system upgrade. Experience in developing secure online information and management systems would be advantageous.

Interested companies are advised to submit a letter of expression of interest and a brief company profile via email to **wcsuganda@wcs.org** for pre-qualification, with the tag "EOI – CITES System Upgrade" in the subject line. Pre-qualified companies will be allowed to interact with the users and the system before submission of their bids.

Submission Deadline: June 18, 2023.
